Planned Parenthood of Metropolitan New Jersey (“PPMNJ”) is a not-for-profit private healthcare agency. The mission of this agency is to provide quality reproductive healthcare and family planning services to men and women regardless of age, ethnicity, or ability to pay. In addition, education programs are offered that emphasize responsible choices and lifestyles.

Health Centers are located in East Orange, Montclair, Newark, Paterson, and Pompton Lakes. Healthcare services include the following:

- Annual Exams
- Birth Control/Family Planning Services
- Emergency Contraception (EC)
- Pregnancy Testing and Options Counseling
- Abortion Referral
- HIV/AIDS Testing and Counseling
- STD Testing
- Colposcopy

PPMNJ offers numerous types of educational and youth programs and resources to bring sexual health information directly to people in the community. Educators work in schools, social service organizations, professional organizations, and faith organizations with the goal of preventing unintended pregnancy and disease through helping people develop healthy, responsible attitudes and behaviors regarding sexuality.

PPMNJ is an affiliate member of the Planned Parenthood Federation of America (PPFA) and adheres to all its standards, policies, and guidelines. The Human Resource Department is responsible for developing, recommending and maintaining the personnel policies in conjunction with the PPMNJ Board of Trustees.
